INDIANA UTILITY
REGULATORY COMMISSION

CAUSE NO. 42061 ECR 2

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") made the following entry in this Cause:

On July 1, 2003, the Petitioner PSI Energy, Inc., ("PSI" or "Petitioner") pursuant to 170 I.A.C. 1-1.1-4, Ind. Tr.R. 26(c), Ind. Code § 8-1-2-29, filed a *Motion for Protection of Confidential and Proprietary Information* ("Motion") in the above captioned Cause. In its Motion, the Petitioner

requests that certain detailed cost estimates for PSI's NOx SIP Call compliance plan, as will be described in the Petitioner's prefiled testimony of Mr. John J. Roebel and Mr. Stephen M. Farmer, be treated as confidential and a trade secret. The Petitioners' Motion is supported by the Affidavit ("Affidavit") of John J. Roebel, Vice President of the Generation Resources Group. The Affidavit has been placed in the Commission's file in this Cause and is hereby incorporated by reference.

The Presiding Officers, having reviewed the information contained in the Petitioner's Motion and Affidavit, find that there is a sufficient basis for a preliminary finding that confidential procedures are appropriate and should be followed concerning the detailed cost estimates for PSI's NOx SIP Call compliance plan ("Confidential Material") to be submitted by the Petitioner. Accordingly, the Petitioner shall file a public redacted version of the testimony of Mr. John J. Roebel and Mr. Stephen M. Farmer and shall *hand deliver* to the Presiding Administrative Law Judge the unredacted versions of the testimony of Mr. John J. Roebel and Mr. Stephen M. Farmer (which contains the Confidential Material), under seal and marked as confidential, and such information shall be treated as confidential on a preliminary basis, in accordance with IC § 5-14-3-4

IT IS SO ORDERED.

Scott R. Storms, Chief Administrative Law Judge
